FOODBORNE ILLNESS RISK FACTORS AND PUBLIC HEALTH INTERVENTIONS

15

Compliance Status

IN

COS R

Designated compliance statuses for each numbered item **IN**=In Compliance **OUT**=Not In Compliance **N/O**=Not Observed **N/A**=Not Applicable

Mark "X" in appropriate box for COS and/or R

COS=Corrected On-Site During Inspection R=Repeat Violation

SUPERVISION

Person in charge present, demonstrates knowledge,

Risk factors are important practices or procedures identified as the most prevalent contributing factors of foodborne illness or injury. Public health interventions are control measures to prevent foodborne illness or injury. Risk factors require immediate correction.

PROTECTION FROM CONTAMINATION

Food-contact surfaces; cleaned and sanitized.

Food separated and protected.

	Shared Kitchen Vendo	or – Renewa	l:					
	Items Prepared: Real Fruit Tea Concentrate *Also approved by IDPH for wholesale							
	Supplier: Costco, Restaurant Depot, Gordon's Foodservice. Reviewed transportation requirements.							
	Label: For pre-packaged foods include item name, ingredients (sub-ingredients), weight, and company name/contact info. If applicable, add allergen statement, perishable/keep refrigerated, and expiration date. May also include "produced at" the shared kitchen location.							
	Certifications: Current manager sanitation certificate provided, renew as necessary for full time coverage. Any new/additional staff must obtain a manager certificate or food handler training certificate. Allergen training also recommended.							
	 Reviewed basic sanitation practices (no bare hand contact with RTE food). All food preparation and storage must occur at/in the kitchen. Label food/equipment left on site with your company name. 							
	Approved for retail service of the above listed menu items though 5/31/22, pending continued active use of the kitchen and approval by the kitchen owner. Please contact the EGV Health Division with any menu or service changes. Continue to follow applicable guidelines for face coverings and social distancing. Continue to follow CDC/FDA/DCEO/IDPH guidance for foodservice establishments. Frequently disinfect high-touch surfaces and monitor for employee illness.
