Misters - Commissary

Inspection Score 100 Inspection Grade A

Comments

APPROVED - Discussed other businesses using this space

Based on an inspection this day, the items marked identify the violation in operation of facilities which must be corrected by the next routine inspection or such shorter period of time as may be specified in writing by the regulatory authority. Failure to comply with any time limits for corrections specified in this notice may result in cessation of your food service operations. An opportunity for an appeal will be provided if a written request for a hearing is filed with the health authority within the period of time established in this notice for the correction of violations.
